Dear Mr. Gonzalez:

This is official notification that TEA staff will recommend that your program be assigned the following status under the Accountability System for Educator Preparation at the February 21, 2020 State Board for Educator Certification (SBEC) meeting:

ACCREDITED

This recommended accreditation status is based on 2018-2019 academic year data¹, reflected in the attachment, and the rules currently in effect to determine accreditation ratings. Once the recommendation is approved by the SBEC, the status will be effective from the date SBEC approves it until SBEC approves the next annual accreditation ratings based on 2019-2020 academic year data. After the SBEC takes action on this recommendation, TEA staff will post accreditation statuses for all educator preparation programs (EPPs) on the Educator Preparation Program Consumer Information web page.

The table below reflects the required performance standards and program deficiencies for accountability purposes, pursuant to Texas Administrative Code (TAC) 229.4. The attachment includes more detail, including percentages and the number of individuals for each indicator and group.

¹Where necessary, the small group aggregation procedure has been conducted. In these instances, applicable data from 2017-2018 and 2016-2017 has been included. Please see Texas Administrative Code (TAC) 229.4 for more information.

Please note: although the Principal Survey and Teacher Survey Indicators are not being used for accountability purposes for the 2018-2019 academic year, the attachment includes the performance standard data on these indicators for EPP planning purposes.

Please share this information with appropriate members of your staff. If you have any questions regarding this notification, please contact me at Christie.Pogue@tea.texas.gov or (512) 463-4420.
